MANGALAGIRI COTTON SAREES

[Home](#) / [Shop](#) / [Summer Cotton Sarees](#) / [Mangalagiri Cotton Sarees](#)

Mangalagiri Cotton Sarees:

Mangalagiri Cotton sarees and the fabrics which are produced by handlooms weaving in Mangalagiri. Mangalagiri is a town in Guntur District in the Indian State of Andhra Pradesh.

Mangalgiri Cotton Sarees are a unique variety woven from pure cotton with the most characteristic features such as Zari.

Manalagiri cotton sarees are known for featuring micro checks or stripes on the field with a dense zari border giving the sari a beautiful drape. The Mangalagiri fabric is produced by weaving with the help of pit looms from combed yarn by warp and weft interlacing. The fabric then undergoes the process of dyeing. The Nizam design borders with golden thread and plain body are the main characteristics of the fabric. Mangalagiri sarees are woven from pure cotton. They are very popular for their delicate and distinctive designs. The sari is woven super finely in vibrant colours giving a crisp finish.

Mangalagiri Cotton sarees is handwoven pure natural Mangalagiri Cotton woven paired up with matching unstitched blouse in Mangalagiri Cotton Saree texture is soft, light weight, easy to drape and flows very well.

Megham's online store is the most believable and trustworthy online shopping for Mangalagiri Cotton sarees and reliable brand by our Customers Worldwide Over the years. We promise to Deliver the same style Same Color as shown on the Website.
